LUNCH CARE PROGRAM at Agnes Goode Kindergarten

The Lunch Care program is an additional program we run Monday to Thursday, enabling up to 18 children to attend two kindergarten sessions on one day (9.00-11.45 am & 12.45-3.30pm).

Fees are paid termly ie $50/term (one full day per week, all term) or $100/term (two full days per week). An additional staff member is employed, and these fees are in addition to the regular kindergarten fees. There is no reimbursement for missed sessions. To enable us to maintain our legal child: staff ratio, we cannot offer ‘make up sessions.’

Please pack a healthy lunch for your child and place it in a named container in the fridge, at the beginning of the day. Children’s morning and afternoon snack remain in their bag for them to eat during the morning and afternoon kindy sessions. Don’t forget plenty of water, in a named water bottle.

Please apply sunscreen on your child in the morning and staff can re-apply sunscreen at lunch time. Let us know if your child has any allergies or requires specific sunscreen, which can be sent daily and stored in the kindy, safely.

Routine - After the morning kindergarten session finishes, children staying for lunch wash their hands, collect their lunch from the fridge and sit together to eat around the inside tables. After finishing eating, children are involved in a range of quiet, relaxing activities with staff. Children help pack away and are settled into story time by 12.30 pm, ready to join in the afternoon kindergarten session at 12.45pm.

Please come and speak to Kathy or Amanda if you have any questions or would like more information.
