AGNES GOODE KINDERGARTEN

Welcome!

At Agnes Goode Kindergarten we believe that each child is unique and we aim to provide a fun, educational experience that will develop children’s life skills and competencies. We provide a program that caters for all areas of children’s development, physical, social, emotional and intellectual, using multi-cultural, non-sexist resources in a caring and nurturing environment.

We offer:

KINDERGARTEN—5 sessions per week for 12 months before school

OCCASIONAL CARE—for children over & under 2 years of age.

Our play based curriculum is based on the national Early Years Learning Framework which forms the foundation for quality teaching and learning for all children in Early Childhood education and Care settings across Australia.

Occasional Care is a “now and then” childcare service designed for parents to have a break/or attend to other commitments knowing that their children are well cared for.

Occasional Care is integrated with Preschool sessions and caters for the development and educational needs of young children in a caring environment.

When your child attends, a further session can be booked, depending on availability. From 2012, pre-booked sessions must be paid for in advance. We can take 8 children per session for 2-4 year olds and 4 children per session for those under 2 years old.

For more information or to enrol your child please contact staff at Agnes Goode Kindergarten.
